

**REMARKS**

Applicant respectfully requests the Examiner to enter the Amendment and proceed with examination of the application on the merits.

In order to comply with the requirements of 37 CFR §1.121 (c), Applicant has identified the claims as "original". It is unclear how to apply the claim identifiers to claims entering the United States from a PCT application that has been amended under Article 19. Since this is the first time the claims have been entered in the United States, Applicant has chosen to identify the claims as "original".

Respectfully submitted,

A handwritten signature in cursive script, reading "Heidi A. Dare", is written over a horizontal line.
